### NOTE! Read this first!

Use this form if you want to apply for a permit to settle in Sweden. You must also use this form when applying for an extension of your residence permit. If you apply for an extension, you must not fill in boxes 4 and 6.

Children under 18 must apply on a special form called **Application for residence permit for a child under the age of 18 years to settle in Sweden MIGR 163011**.

If you are an EU/EEA citizen and wish to apply for a *residence permit* to move to a Swedish citizen or other person resident in Sweden, you must also use this form. There are special forms for other EU/EEA citizens, Swiss dependants and those current residents and their close relatives.

On the last page you will see which attachments you need to send. You will also find this form and more information on our website [www.migrationsverket.se](http://www.migrationsverket.se). Please complete the form on a computer if possible, as it makes it easier for us to process your application.
