## Application for a residence permit for persons who have long-term resident status in another EU state and their family members

Use this form if you and your family members wish to apply for residence permits in Sweden and hold long-term resident status in another EU state (in accordance with directive 2003/109/EC).

An application fee must be remitted for this application. For more information about fees, please visit [www.migrationsverket.se](http://www.migrationsverket.se).

Submit one form per person. If all of the information in the application is completed in full and all necessary documents are enclosed, your waiting time will be shorter.

Once the Swedish Migration Agency has reached a decision, you may use the simplified service to be informed of the decision. Simplified service means that the Swedish Migration Agency will send the decision by regular post to the address that you have given as your place of residence. The next day, we will send a new letter with informing you that we have sent out the decision. After the above steps have been taken, the Swedish Migration Agency will consider that you have been informed of the decision two weeks after the date we sent it to you. You then have three weeks to lodge an appeal against the decision.
