10. If the application concerns a child under the age of 18 (To be completed only if the child applying is under 18)

All children with the ability and desire to do so have the right to speak and be heard regarding their case at the Swedish Migration Agency. Children may express their views themselves, or allow a representative (such as a parent, guardian or legal guardian) to do it for them. The child and the child's guardian (parent) must decide whether the child wants to speak and, if so, in what way. It is important that it is the child's views that come forward and not the adult's. If the child's parents are interviewed verbally, the child will also be interviewed verbally.

Does the child have additional reasons to be granted a residence permit? Yes No
If yes, please state the reasons the child has to be granted a residence permit beyond family ties to you as parent.

Does the child want to express their views on their case? Yes No
If yes and the child wants to express their views in writing, please write here or enclose a separate sheet of paper.

If the child wants to express their views verbally, please write to the Swedish Migration Agency at migrationsverket@migrationsverket.se. You will find contact information at www.migrationsverket.se.

Does the child need special support? (for example, for physical or mental reasons) Yes No
If yes, please describe in what way the child needs special support.
