Swedish Migration Agency notes

You should use this form to apply for a residence permit to work as a volunteer in Sweden within the framework of the European Voluntary Service (EVS) if you come from a country outside the EU/EEA and Switzerland. If you are not volunteering within the framework of the EVS, you should instead complete the form for a residence permit to visit Sweden.

In order to obtain a residence permit to conduct voluntary work, you must have entered into an agreement with an organisation in Sweden that participates in a volunteer programme within the framework of the EVS. You must be in receipt of an agreement to participate in a volunteer programme.

You can find this form, together with further information, on our website at www.migrationsverket.se. Please complete the form on your computer as this makes it easier for us to process the case.
