Power of attorney

For cases handled by a Unit for Reception

Use this power of attorney if you wish to appoint a representative to act on your behalf in cases that are handled by a Unit for Reception at the Swedish Migration Agency. This applies to individuals who have applied for international protection or temporary protection. It also applies if you have received a decision on suspension of the enforcement (meaning to temporarily not carry out [enforce] the decision for you to leave the country).

The power of attorney is valid until you revoke it. You may revoke it at any time by submitting the form Revocation of power of attorney, 111011, to the Swedish Migration Agency.

This power of attorney document should not be used if you are going to move in with someone, work, study or visit Sweden. In that case, use the form for a power of attorney with number 107011 instead.

If you want to receive a daily allowance or a special grant, you must apply for these benefits and sign the application yourself. If you are required to attend an attendance check or report to the authorities, you must do so in person. You cannot authorise someone else to do this on your behalf.
