Application for a residence permit to settle in Sweden

For a child under the age of 18

Use this form to apply for a residence permit for a child under 18 years to settle in Sweden. You must also use this form when applying for an extension of a residence permit. EU/EEA citizens, children to British citizen with residence status, relatives of Swiss citizens, long-time residents in another EU/EEA country and their relatives, must use a different form.

In order to be granted a temporary residence permit, the child must have a passport that is valid for the entire permit period. If the child does not have a passport or if the passport will expire soon, you should apply for a new passport for the child.

Help us shorten the waiting times by filling in the form on the computer or by applying via the e-service. Clear and correct information reduces the risk of us having to ask you for additional information. It makes it easier for both you and the Swedish Migration Agency.

It is important that you provide the correct contact details to the Swedish Migration Agency. Make sure that the adult family members' names are on the door or mailbox. When the application has been received by the Swedish Migration Agency, you can check whether your information is updated on "My page" via www.migrationsverket.se.
