## Application for a residence permit for internships in connection with higher education

Use this form when you apply for a residence permit to undertake an internship in Sweden if you come from a country outside the EU/EEA and Switzerland. The internship must be in connection with your study programme or degree.

In order to qualify for a residence permit for an internship in connection with higher education, you must have obtained a degree from a higher education institution within two years of your application or be enrolled on a study programme leading to such a degree. You must also be in receipt of a written agreement to undertake the internship.

The main rule is that you should apply for and have been granted a permit before entering Sweden. Your employer can initiate the permit application at [www.migrationsverket.se](http://www.migrationsverket.se). If you are unable to apply online, fill out the form and submit your application to a Swedish embassy or consulate-general. If you are in Sweden, send the form to The Swedish Migration Agency, Box 3100, 903 03 UMEÅ.

We will contact you if you have to pay an application fee. If you have a representative, we will contact the representative. If you submit your application at an embassy or consulate general, you will receive information on how to pay there. If you choose to apply via the e-service, you will pay a fee, if applicable, when you submit the application. Read more about our application fees and payment methods at [www.migrationsverket.se](http://www.migrationsverket.se).

Help us shorten the waiting times by filling in the form on a computer or by applying via the e-service. Clear and correct information reduces the risk of us having to ask you for additional information. It makes it easier for both you and the Swedish Migration Agency. You can find more information at [www.migrationsverket.se](http://www.migrationsverket.se).
