## Application for a residence permit for self-employed persons Extension

Use this form if you are from a non-EU/EEA country and you wish to extend your residence permit as a self-employed person in Sweden.

The Swedish Migration Agency will check that you are running the business, that you adhere to generally accepted accounting principles, that you hold the other permits necessary for the business and that you can support yourself and any family.

If you apply for a permanent residence permit in addition to showing that you adhere to generally accepted accounting principles and that you hold the other permits necessary for the business, you also need to show that you can support yourself on income from the business.

The Swedish Migration Agency also checks that you actually live in Sweden and that you have been a resident in Sweden for the majority of the time. We also retrieve information from the Swedish Tax Agency, the Swedish Companies Registration Office and the Swedish Enforcement Authority.

You can apply at [www.migrationsverket.se](http://www.migrationsverket.se) or fill out the form and send your application to The Swedish Migration Agency, Box 3100, 903 03 UMEÅ.

We will contact you if you have to pay an application fee. If you have a representative, we will contact the representative. If you choose to apply via the e-service, you will pay a fee, if applicable, when you submit the application. Read more about our application fees and payment methods at [www.migrationsverket.se](http://www.migrationsverket.se).

Help us shorten the waiting times by filling in the form on the computer or by applying via the e-service. Clear and correct information reduces the risk of us having to ask you for additional information. It makes it easier for both you and the Swedish Migration Agency. You can find more information at [www.migrationsverket.se](http://www.migrationsverket.se).
