Residence permit application for researchers

Use this form when you apply for a residence permit to work as a researcher in Sweden if you come from a country outside the EU/EEA and Switzerland. You should also use this form if you have a residence permit to conduct research in another EU Member State and wish to conduct part of your research in Sweden.

In order to work as a researcher in Sweden, you must also enclose a separate hosting agreement signed by you and the research funding body (institution, organisation, company, etc.) where you will be working.

The main rule is that you should apply for and have been granted a permit before entering Sweden. You can apply at www.migrationsverket.se or fill out the form and submit your application to a Swedish embassy or consulate-general. If you are in Sweden, send the form to The Swedish Migration Agency, Box 3100, 903 03 Umeå.

We will contact you if you have to pay an application fee. If you have a representative, we will contact the representative. If you submit your application at an embassy or consulate general, you will receive information on how to pay there. If you choose to apply via the e-service, you will pay a fee, if applicable, when you submit the application. Read more about our application fees and payment methods at www.migrationsverket.se.

You can find the hosting agreement form for visiting foreign researchers and further information at www.migrationsverket.se. At our website you can also read about when you do not need to apply for a residence permit to conduct research in Sweden.

Help us shorten the waiting times by filling in the form on the computer or by applying via the e-service. Clear and correct information reduces the risk of us having to ask you for additional information. It makes it easier for both you and the Swedish Migration Agency.
