## Application for a residence permit to seek work after completing studies or research

Use this form when you apply for a residence permit to seek employment or explore the possibilities of running your own business in Sweden after completing higher education or research. You can be granted a residence permit valid for 12 months if you have completed your studies at first-cycle or second-cycle level and if you fulfil the requirements. If you have completed your studies at third-cycle (doctoral) level or your research you can be granted a residence permit valid for up to 18 months. The decision will be sent to an address in Sweden.

You can apply at [www.migrationsverket.se](http://www.migrationsverket.se) or fill out the form and send it to the Swedish Migration Agency, Box 3100, 903 03 Umeå.

We will contact you if you have to pay an application fee. If you have a representative, we will contact the representative. If you choose to apply via the e-service, you will pay a fee, if applicable, when you submit the application. Read more about our application fees and payment methods at [www.migrationsverket.se](http://www.migrationsverket.se).

Help us shorten the waiting times by filling in the form on the computer or by applying via the e-service. Clear and correct information reduces the risk of us having to ask you for additional information. It makes it easier for both you and the Swedish Migration Agency.

It is important that you, in addition to providing all the necessary information, enclose the requested documentation to complete your application. Further information is available at [www.migrationsverket.se](http://www.migrationsverket.se). **(DA)**
