Application for proof of permanent residence status for a family member of a British citizen

Use this form to apply for proof of permanent residence status if you are a family member of a British citizen. In order to be granted permanent residence status, you must have lived in Sweden without interruption for at least five years with a right of residence. The same requirements apply to your children. Your family member must have met the requirements for the right of residence during that entire time.

The general application period for residence status ended on 31 December 2021. If you previously have been granted proof of residence status in Sweden, you have the opportunity to apply for proof of permanent residence status. If you have not been granted residence status before, you are required to provide an explanation as to why your application is submitted late.

There is no cost to apply for residence status. Submit one form per person. Do not forget to sign the form.

You who only want to extend the validity period of the residence status card should **not** submit a new application. You only need to make an appointment with the Swedish Migration Agency to leave fingerprints and be photographed again.

Help us shorten the waiting times by filling in the form on the computer or applying via the e-service. Clear and correct information reduces the risk of us having to ask you for additional information. It makes it easier for both you and the Swedish Migration Agency. You can find more information at www.migrationsverket.se.

6. Reasons for submitting the application late

The general application period for residence status ended on 31 December 2021. You, who have not previously been granted residence status, need to explain in writing why you were prevented from applying on time and attach documents that support your reasons. In accordance with the Withdrawal Agreement, the Swedish Migration Agency then assesses whether your explanation about why you are submitting your application too late is reasonable.

7. Documents you should submit with your application

Always attach copies of

- the pages in your passport which show personal information, the period of validity, issuing country and signature (if you are 18 years or older). If you are a UK or EU/EEA citizen, you can submit a copy of your national ID card instead of your passport
- your family member's passport or UK national identity card

If the application concerns a child under the age of 18 years you can attach a separate sheet of paper with the child's views.

7.1 Documents supporting your family member's right of residence

You must submit documents showing that your family member is a British citizen who has met the requirements for residence status in Sweden for five consecutive years. The documents you must include in your application depend on the occupation or livelihood your family member has had during these five years. If your family member has had different grounds for residence during the five-year period, you need to submit documents for all the grounds.

If you and your family member are applying at the same time, it is sufficient for one of you to submit the documents with your application.

7.1.1 If your family member has been or is an employee

You must submit

- all statements from the Swedish Tax Agency for the past five years
- employer certificate(s) for the past five years
- certificate(s) showing the dates for which your family member has been registered as a jobseeker with the Swedish Public Employment Service, if they have been unemployed.

Submit information about your accommodation and what housing costs you have in Sweden, for example

- a rental contract stating the rental cost
- proof of purchase of a tenant-owner's flat or property. If you own your home, you need to report the monthly costs associated with the property

Use the Other information section to describe the manner in which your family member has supported you during your time in Sweden. Attach copies of documents that support your description, such as

- pension payments
- bank statements
- tax data for salary/wages from abroad
- other documents showing how they have supported you.

If someone else is responsible for your financial maintenance in Sweden, you need to submit

- a copy of the ID card of the person who is supporting you financially
- a letter in which the person who is supporting you certifies that they will be responsible for your financial maintenance, and which also states your relationship
