## Application for proof of permanent residence status

For a British citizen and their family member who has permanent right of residence or permanent residence card

Use this form to apply for permanent residence status if you are a British citizen or a family member of a British citizen and have been granted a certificate of permanent right of residence (British citizen) or a permanent residence card (family member of a British citizen from a third country).

The general application period for residence status ended on 31 December 2021. Certain groups still have the opportunity to apply for residence status. If you do not belong to one of these groups, you are required to provide an explanation as to why your application is submitted late.

There is no cost to apply for permanent residence status. Submit one form per person. Do not forget to sign the form.

You who only want to extend the validity period of the residence status card should **not** submit a new application. You only need to make an appointment with the Swedish Migration Agency to leave fingerprints and be photographed again.

Help us shorten the waiting times by filling in the form on the computer or applying via the e-service. Clear and correct information reduces the risk of us having to ask you for additional information. It makes it easier for both you and the Swedish Migration Agency. You can find more information at [www.migrationsverket.se](http://www.migrationsverket.se).

All children with the ability and desire to do so have the right to speak and be heard regarding their case at the Swedish Migration Agency. Children may express their views themselves, or allow a representative (such as a parent, legal guardian or guardian) to do it for them. The child and the child's parent (guardian) must decide whether the child wants to be heard and if so, in what way. It is important that it is the child's views that come forward and not the adult's.

## 6. Reasons for submitting the application late

You, who have not previously been granted residence status, need to explain in writing why you were prevented from applying on time and attach documents that support your reasons. In accordance with the Withdrawal Agreement, the Swedish Migration Agency then assesses whether your explanation about why you are submitting your application too late is reasonable.

## 7. Other information you would like to submit regarding your application

## 8. Documents that you should submit with your application

Attach copies of the pages in your passport which show personal information, the period of validity, issuing country and signature (if you are 18 years or older). If you are a UK or EU/EEA citizen, you can submit a copy of your national ID card instead of your passport.

If the application concerns a child under the age of 18 years you can attach a separate sheet of paper with the child's views.
