

Questionnaire about your newly established relationship

Your partner¹ has applied for a residence and work permit in Sweden, because they wish to move here to live with you.

We will start processing the case by asking you to answer the questions below within two weeks and submitting the form to us. It is important that you answer the questions as accurately and comprehensively as possible. You are welcome to write on an extra piece of paper if necessary. In some cases, we will also contact you by phone or invite you to come for an interview.

If we do not receive your response in time or if your questionnaire is incomplete, we may decide on your partner's application based on the information we have. This may mean that we deny their application.

You can find more information and this form at www.migrationsverket.se. Please complete the form on your computer, as this makes it easier for us to process the case.
