

Consent for DNA analysis for a child under the age of 18

1. The child's personal details

Surname (family name)	First name(s)
Date of birth/Personal ID No. (YYYYMMDD-NNNN)	Citizenship

My child is an applicant or reference person in a permit case in accordance with the Swedish Aliens Act and have had the opportunity to have a DNA analysis carried out in the case. I am aware that the Swedish Migration Agency decides whether or not an analysis should be carried out.

I have been informed of the purpose of a DNA analysis and consent to Swedish authorities collecting samples or participating during the taking of samples, carrying out the analysis, consulting with each other and being presented with the results of the analysis. I also consent to the analysis results being used as grounds for a decision in the permit case.

This consent for DNA analysis can also be used by you who are a guardian or specially appointed guardian of a child.
