Consent for a child to settle in Sweden

Complimentary information

Use this form if you, as a parent and legal guardian, wish to give your consent for a child under the age of 18 to settle in Sweden.

The consent means that later you will not be able to be granted a residence permit based on family ties to your child according to the rules for joint household, because you no longer have a relationship of dependence.

If possible, complete the form using a computer. This makes it easier for us to process the case. For more information, please go to www.migrationsverket.se.
