Application for a residence permit for self-employed persons Extension

Use this form if you are from a non-EU/EEA country and wish to extend your residence permit as a self-employed person in Sweden.

The Swedish Migration Agency will check that you are running the business, that you adhere to generally accepted accounting principles, that you hold the other permits necessary for the business and that you can support yourself and any family.

If you apply for a permanent residence permit in addition to showing that you adhere to generally accepted accounting principles and that you hold the other permits necessary for the business, you also need to show that you can support yourself on income from the business.

The Migration Agency also checks that you actually live in Sweden and that you have been a resident in Sweden for the majority of the time. We also retrieve information from the Swedish Tax Agency, the Swedish Companies Registration Office and the Swedish Enforcement Authority.

You can apply at www.migrationsverket.se or fill out the form and send your application to The Swedish Migration Agency, Box 3100, 903 03 UMEÅ.

If you provide all the information, requested in the form, and if you include all necessary documents with the application, the waiting period will be shorter.

More information can be found at www.migrationsverket.se under 'Working in Sweden > Self-employment'.

Once you have had a residence permit as a self-employed person for two years, you can be granted a permanent residence permit if you can support yourself on income from your business.
