Application for a Swedish residence permit for self-employed persons Extension

Use this form if you are from a non-EU/EEA country and wish to extend your residence permit as a self-employed person in Sweden.

The Swedish Migration Agency will check that you are running the business, that you adhere to generally accepted accounting principles, that you hold the other permits necessary for the business and that you can support yourself and any family.

If you apply for a permanent residence permit in addition to showing that you adhere to generally accepted accounting principles and that you hold the other permits necessary for the business, you also need to show that you can support yourself on income from the business.

The Migration Agency also checks that you actually live in Sweden and that you have been a resident in Sweden for the majority of the time. We also retrieve information from the Swedish Tax Agency, the Swedish Companies Registration Office and the Swedish Enforcement Authority.

If all of the information, requested in the form, has been provided, and if all necessary documents are included with the application, the waiting period will be shorter. Do not forget to sign the form.

More information can be found on our website www.migrationsverket.se under 'Working in Sweden > Starting your own business'.
