\*2: Övriga ansökningar Migrationsverket ej prövat i sak, exempelvis avskrivna ansökningar. En ansökan avskrivs bland annat när den sökande avviker eller återtar sin ansökan.

| <b>Rubrik</b>  | <b>Avgjorda asylärenden ensamkommande barn Migrationsverket 2010</b>  |
| Reviderad      | 2011-09-09  |
|                | Det finns tre stycken instanser för beslut i asylärenden: Migrationsverket, migrationsdomstolarna och Migrationsöverdomstolarna. Tabellen här avser enbart beslut som har fattats i första instans, det vill säga av Migrationsverket.  |
|                | Med ett ensamkommande barn avses person under 18 år som kommit hit och ansökt om asyl utan sina föräldrar eller annan legal vårdnadshavare  |
| <b>Heading</b> | <b><i>Asylum decisions, unaccompanied children, the Swedish Migration Board, 2010</i></b>   |
|                | <i>There are three instances for decisions in asylum cases: the Swedish Migration Board, the Migration Courts and the Migration Court of Appeal. The table here only refers to decisions that have been made at the first instance, that is to say the Swedish Migration Board.</i> |
|                | <i>An 'unaccompanied child' means a person under the age of 18 who has come to Sweden and applied for asylum without his or her parents or other legal custodial parent.</i>  |

\*1: Asylprövningen ska övertas av annan stat inom ramen för den så kallade Dublinförordningen, det vill säga Sverige prövar inte ansökan i sak.

\*2: Övriga ansökningar Migrationsverket ej prövat i sak, exempelvis avskrivna ansökningar. En ansökan avskrivs bland annat när den sökande avviker eller återtar sin ansökan.

\*1: *The asylum examination is to be taken over by another State within the framework of the 'Dublin Regulation'; that is to say Sweden will not consider the application materially*

\*2: *Other applications the Swedish Migration Board has not considered materially, for example applications that are written off. An application will be written off, among other reasons, if the applicant absconds or withdraws his or her application*
