To be filled by the Swedish Migration Agency/Swedish Mission Abroad	
File number	Signature

Complete this form if you are coming to Sweden as an au pair and will stay with a host family, learn Swedish and learn about Swedish culture during your stay. You must apply for and obtain your residence permit before travelling to Sweden. You can submit your application to a Swedish embassy or consulate-general or complete your application electronically at [www.migrationsverket.se](http://www.migrationsverket.se). The Swedish Migration Agency charges an application fee to process your application.

We will be able to make a decision more quickly if you fill in all details in the form and send in the required documentation. The process will take longer if we are required to ask you to supplement your application.

You can see what documents you need to send alongside your application on the last page. You can also find this form and more information on our website [www.migrationsverket.se](http://www.migrationsverket.se).
