### Simplified service

Once the Swedish Migration Agency has reached a decision, you may use the simplified service to be informed of the decision. Simplified service means that the Swedish Migration Agency will send the decision by regular post to the address that you have given as your place of residence. The next day, we will send a new letter with informing you that we have sent out the decision. After the above steps have been taken, the Swedish Migration Agency will consider that you have been informed of the decision two weeks after the date we sent it to you. You then have three weeks to lodge an appeal against the decision.
