All children with the ability and desire to do so have the right to speak and be heard regarding their case at the Swedish Migration Agency. Children may express their views themselves, or allow a representative (such as a parent, custodian or guardian) to do it for them. It is important that it is the child's views that come forward and not the adult's. If the child's parents are interviewed orally, the child will also be interviewed orally.

Does the child have additional reasons to be granted a residence permit beyond family ties to you as parent?
