If you have a Swedish permanent residence permit and intend to move out of Sweden, you can use this form as a notification of your desire to retain your permit. **Your notification must have reached the Migration Agency no later than one week before you leave Sweden.**

The Swedish Migration Agency normally revokes a residence permit for a person who no longer resides in Sweden, and intends to be out of Sweden for more than one year. If your residence permit is revoked, you will need to submit a new application before you can enter Sweden again.

You can keep your permit for two years if you submit a notification of your desire to retain it. If your trip is cancelled or changed, you are required to notify the Migration Agency of this fact by the day on which you originally planned to leave. If you do not move back to Sweden within two years, your permit can be revoked.

Print and sign the notification and submit it by mail or e-mail. The mailing address is Migrationsverket, 601 70 Norrköping, and the e-mail address is migrationsverket@migrationsverket.se. The notification must have reached the Migration Agency one week before you leave Sweden. We will then send you a confirmation by e-mail that we have received your notification.

You can read more about how you can retain your permanent residence permit at www.migrationsverket.se.

I intend to move out of Sweden and remain abroad for at least one year, and I wish to retain my permanent residence permit.
