Application for a residence permit for contract or specialisation education

First-time application

Use this form to apply for a residence permit for contract or specialisation education in Sweden if you are a citizen of a country outside the EU/EEA and Switzerland. Most applications will be subject to a fee.

If you intend to participate in an education programme in Sweden, you must apply for and be granted a residence permit before you enter Sweden. This applies regardless of whether you are a citizen of a visa-free country because, as a general rule, a residence permit cannot be granted to applicants who are already in Sweden.

You will find further information, as well as this form, at www.migrationsverket.se. Please complete the form on your computer as this makes it easier for us to process the case.
