

## Application for an alien's passport

Filled in by the Swedish Migration Agency	
Dossier number	Signature

If you do not have any documents that will serve as a passport and do not have possibility of obtaining one, the Swedish Migration Agency can issue an alien's passport in certain cases. For a single journey to or from Sweden you can apply for an emergency alien's passport instead, using form 193011.

Guardians can also use this form to apply for an alien's passport on behalf of a child who is under 18. Normally, one or both of the child's parents are the guardians but a trustee or specially appointed custodian can also be a guardian. As the guardian, you fill in and sign the application. If there are two guardians, you must both consent to the Migration Agency issuing an alien's passport for the child. You must also submit the form "Consent for the Swedish Migration Agency to issue an alien's passport for a child under the age of 18" (form 247011).

Please note that you must submit your application in person, filled in, at one of the Migration Agency's Service Centres or at a Swedish mission abroad. Remember that everybody applying for an alien's passport must come in person, including children. There is normally an application fee for an alien's passport. You can pay the fee with a credit/debit card when you hand in your application, or ask for a payment slip and pay later.
