You must fill in this form as guardian when you apply for an alien's passport or an emergency alien's passport for a child under the age of 18. Normally, a child's parent or parents are the child's guardians, but that role may be given to a trustee or a specially appointed legal guardian. Note that if there are two guardians, you must both consent to the Migration Agency issuing an alien's passport or an emergency alien's passport for the child.

For more information, please go to www.migrationsverket.se
